TESTIMONIALS

We have been participating with ACREX India from many years now because this is the platform to meet the industry leaders. It is always a great learning experience to be at ACREX where to get to see many new technologies, products from HVAC industry. We wish to see even bigger ACREX India 2021 in Bengaluru.

Vimal Chavda

Distribution Network Manager, Testo India

Air quality is on the mind of everyone here, the key point of all the discussions. We feel that we're in the right place at the right time. A great and such well managed exhibition like ACREX is the place for manufacturers to be represented and seen in a territory as large as India which is qualified site and has a lot to offer.

Jens Hammes

CEO of INCEN AG - International Marketing Arm of IQAir

TESTIMONIALS

ACREX India is a great platform to launch innovative solutions in HVAC industry and we are so pleased to have launched one of our technologies right here. It is a great experience so far and would love to be part of next editions as well.

Kanad Banerjee

Head, Special Products Division, Paharpur Cooling Tower

We are very happy to be the IAQ partner at ACREX 2020. We are proud to have a great booth and location here that has generated so much interest along with the theme of “Shuddh Vaayu, Deergh Aayu”. ACREX India 2020 has set a great example of mixing the idea of air quality, HVAC, energy efficiency & chillers. All the very best for ACREX India 2021 in Bengaluru.

Barun Aggarwal

Founder & CEO, BreatheEasy Consultants (P) Ltd.

TESTIMONIALS

ACREX is the biggest and most professional exhibition of India where you can find the commercial AC products, air purifying products, the best products in the market. You cannot find anything better in Technology in any place other than ACREX. From the back-end integration to the front-end integration, everything gets covered here.

Sheffy Mehta

PGH-AC Business, Haier Appliances India

Our association with ACREX India goes long back. This year's theme - Shuddh Vaayu, Deergh Aayu - plays an important aspect in everyone's life. This platform not only gives opportunity to companies like us but new start ups with innovative products to showcase in front of industry. We wish all the best for ACREX India 2021.

Kartik Singhal

Director Operations at Zeco Aircon Limited

TESTIMONIALS

The response at ACREX India 2020 has been incredible. Building a sustainable future is of utmost importance and ACREX's impact here is huge. We look forward to seeing all our member in Bengaluru in the next edition in 2021.

Erin McKee

Marketing, ASHRAE

ACREX has been a very big forum in South Asia that has consistently worked on introducing newest innovations year-on-year. They have a very good reach across countries, they understand the links of HVAC industry and they are instrumental in bringing innovations, which the manufacturers wait to launch here. ACREX understands the needs of the consumers and of the industry alike.
