BEC, Mumbai
25th Edition

ISHRAE

South Asia's **Largest**
HVAC & Intelligent
Building Exhibition
is coming back to the

Financial
Heart of
India,
Mumbai!

**Unlocking Business Potential: Enhancing Opportunities,
Accelerating Growth, Building a Better World**

Industry Overview

The Indian HVAC market is on a rapid growth trajectory, projected to surge from \$11.8 billion in 2024 to \$29.4 billion by 2030, with a 16.3% CAGR. This expansion is fuelled by urbanization, rising disposable incomes, and a growing demand for energy-efficient climate solutions. The adoption of smart, IoT-enabled HVAC systems, along with government-backed green building initiatives and stricter energy efficiency regulations, is reshaping the industry. Additionally, the booming cold chain sector, industrial growth, and infrastructure development are driving unprecedented demand. As businesses and consumers prioritize sustainability, automation, and superior air quality, India's HVAC sector is poised for transformational growth.

ACREX India 2026

South Asia's largest exhibition on HVAC, refrigeration, and building automation, is set to take place in Mumbai – India's financial and commercial hub. Organized by ISHRAE, the event will serve as a catalyst for industry growth, bringing together global innovators, business leaders, and technology pioneers. With the theme "Unlocking Business Potential: Enhancing Opportunities, Accelerating Growth, Building a Better World," ACREX India 2026 will highlight how HVAC and building technologies can drive economic expansion, foster sustainable development, and create smarter, healthier living environments. The event will feature Innovative Technologies, Business Growth Opportunities, Knowledge Exchange & Global Participation. As India's infrastructure and real estate sectors boom, ACREX India 2026 will be the definitive platform for businesses to seize new opportunities, embrace innovation, and contribute to a more sustainable and connected world. Join us in Mumbai and be part of this transformative journey!

Key Features

- | | | | |
|----------------------------|-------------------------------|-------------------------------|---------------------|
| 1. Knowledge Sessions | 4. Dedicated B2B Meeting Area | 7. Idea Presentation | 10. Launch Pad |
| 2. Innovation Zone | 5. Startup Pavilion | 8. ACREX Awards of Excellence | 11. Solution Center |
| 3. Unique Product Showcase | 6. Demo Zone | 9. ACREX Hall Of Fame | 12. B2G Networking |

www.acrex.in | www.ishrae.in

Showcase Innovative Technologies & Solutions

1. Packaged Chillers
2. Air Handling & Air Distribution Products
3. Unitary Products (Air Conditioners) - Light Commercial And Residential Products
4. Refrigeration Products & Accessories
5. Water Distribution Products
6. Water Treatment Products
7. IAQ Products
8. Building Automation And Controls
9. IOT And Data Analytics Products & Services
10. Electricals
11. Services

Network with Targeted Industries

1. Commercial Buildings
2. Corporate and Office Infrastructure
3. Industrial manufacturing facilities
4. Residential complexes
5. Hospitality industry - Hotels, Restaurants, Clubs, Resorts
6. IT / ITES / BPO's
7. Data Centres
8. Entertainment hubs like malls, auditoriums
9. Educational and Research Institutions
10. Banks and Financial Institutions
11. Healthcare, Hospitals, Blood banks
12. Automobiles & Railways
13. Airport, Ports, Metros
14. Commercial Shipping, Cruise Liners
15. Defence services: Army, Navy, Air Force
16. Warehouses
17. Salons, Spas, Health clubs
18. Pharmaceutical companies
19. Power and metals
20. Oil and gas

Engage with Key Stakeholders

1. Architects
2. MEP Consultants, Designers And Contractors
3. PHE Consultants & Contractors
4. HVAC Consultants & Contractors
5. Mechanical Engineers
6. Electrical Engineer, Consultants & Contractors
7. Interior Designers
8. Project Managers
9. Wholesalers
10. Facility Managers
11. Distributors/Wholesalers
12. Building & Infrastructure Developers
13. After Sales & Maintenance Contractors
14. End Users from the private and public sectors for Residential, Commercial & Industrial Buildings
15. Importers/Exporters
16. Public Utility Managers
17. Government Agencies
18. Purchase Managers
19. Testing, Certification and R&D Managers
20. Manufacturing Representatives
21. OEM Designers & Engineers
22. Facility & Building Operation Engineers & Managers

Participation Fees

	Shell Space INR/SQM (Min 12sqms)	Bare Space INR/SQM (Min 27sqms)	Gold Space INR/SQM (Min 27sqms)	Premium Space INR/SQM (Min 27sqms)
INR	15000	13700	15500	16500
USD	340	325	345	350
Mandatory partnership applies for premium spaces of 36 SQM and above. GST applicable on above charges				
Registration Fees Show Catalogue	INR 2500		USD 70	
Co-Exhibitor Fees Per Exhibitor	INR 5000		USD 135
