

**UNLEASHING INDIA'S  
POTENTIAL FOR A RESPONSIBLE  
BUILT ENVIRONMENT**

**SOUTH ASIA'S LARGEST EXHIBITION ON AIR CONDITIONING,  
HEATING, VENTILATION AND INTELLIGENT BUILDINGS**

**Industry Overview**

In the dynamic landscape shaped by changing climatic conditions, robust economic growth, and the impetus from government initiatives such as 'Make in India' and Atmanirbhar Bharat, coupled with strategic schemes like PLI (Production Linked Incentives), financial incentives, and a resolute commitment to achieving carbon neutrality by 2070, the energy-efficient HVAC market is experiencing an unprecedented surge. Forecasts predict a remarkable trajectory, projecting a market size soaring to \$29,287.7 million by 2030, boasting a formidable CAGR of 15.8%. The Indian subcontinent has evolved into a fertile ground, attracting both local and international HVAC manufacturers eager to capitalize on the burgeoning opportunities. Against the backdrop of India's steadfast export strength and the perpetual surge in trade, the shipments of heating, ventilation, airconditioning, and refrigeration products are poised to achieve unprecedented peaks. The narrative of India's HVAC market is one of dynamic growth, innovation, and a steadfast commitment to global excellence.

**About ACREX India 2025**

The 24th edition of ACREX India in Bengaluru stands as the apex of South Asia's HVAC industry. More than an exhibition, it's a transformative experience catapulting the industry into the future. With the theme "Unleashing India's Potential For A Responsible Built Environment," it serves as a powerhouse of innovation, featuring cutting-edge technologies and sustainable solutions. ACREX India 2025 is where HVAC pioneers unveil groundbreaking products, redefining the landscape and propelling the industry towards an era of Decarbonization, Innovation & Automation. This dynamic convergence of minds in Bengaluru fosters collaboration among industry professionals, policymakers, engineers, and thought leaders. ACREX India isn't just a trade show; it's a commitment to excellence and a catalyst for shaping a future where Air Conditioning, Heating, Ventilation and building services embody efficiency and sustainability against the backdrop of Bengaluru's dynamic spirit and technological prowess.

**Key Features**

- 1. Technical Seminars & Workshops
- 2. Innovation Zone
- 3. Unique Product Showcase
- 4. Dedicated B2B Meeting Area
- 5. Startup Pavilion
- 6. Demo Zone
- 7. Idea Presentation
- 8. ACREX Awards of Excellence
- 9. ACREX Hall Of Fame
- 10. Launch Pad
- 11. Solution Center

**Exhibitor Profile**

- 1. Packaged Chillers
- 2. Air Handling & Air Distribution Products
- 3. Unitary Products (Air Conditioners) - Light Commercial And Residential Products
- 4. Refrigeration Products & Accessories
- 5. Water Distribution Products
- 6. Water Treatment Products
- 7. IAQ Products
- 8. Building Automation And Controls
- 9. IOT And Data Analytics Products & Services
- 10. Electricals
- 11. Services

And many more...

## Visitor Profile

1. Architects
2. MEP Consultants, Designers And Contractors
3. PHE Consultants & Contractors
4. HVAC Consultants & Contractors
5. Mechanical Engineers
6. Electrical Engineer, Consultants & Contractors
7. Interior Designers
8. Project Managers
9. Wholesalers
10. Facility Managers
11. Distributors/Wholesalers
12. Building & Infrastructure Developers
13. After Sales & Maintenance Contractors
14. End Users from the private and public sectors for Residential, Commercial & Industrial Buildings
15. Importers/Exporters
16. Public Utility Managers
17. Government Agencies
18. Purchase Managers
19. Testing, Certification and R&D Managers
20. Manufacturing Representatives
21. OEM Designers & Engineers
22. Facility & Building Operation Engineers & Managers

## Key Focus Sectors

1. Commercial Buildings
2. Corporate and Office Infrastructure
3. Industrial manufacturing facilities
4. Residential complexes
5. Hospitality industry - Hotels, Restaurants, Clubs, Resorts
6. IT / ITES / BPO's
7. Data Centres
8. Entertainment hubs like malls, auditoriums
9. Educational and Research Institutions
10. Banks and Financial Institutions
11. Healthcare, Hospitals, Blood banks
12. Automobiles & Railways
13. Airport, Ports, Metros
14. Commercial Shipping, Cruise Liners
15. Defence services: Army, Navy, Air Force
16. Warehouses
17. Salons, Spas, Health clubs
18. Pharmaceutical companies
19. Power and metals
20. Oil and gas

## Exhibitors Speak

“ACREX has provided us with excellent brand upliftment. We have been participating in ACREX for the past 10 years and have observed a significant increase in foot traffic to our stall. Additionally, we have witnessed several leads being successfully converted into orders. We extend our gratitude to ACREX for contributing to our positive brand image.”

*Kshama Jain – Managing Director, Kehems Technologies Pvt Ltd, India*

“We manufacture a full range of HVAC alignments since 1990, and to the best of my memory, we have consistently been part of ACREX. ACREX has been an integral part of our growth journey, and we ensure our presence at ACREX shows in Delhi, Mumbai and Bangalore. Through ACREX, we have connected with numerous international and domestic customers, OEMs, and wholesalers from India and worldwide, which has significantly contributed to our growth. If I were to summarize our company's experience at ACREX in one phrase, it would be "Innovation at an Amazing Place".”

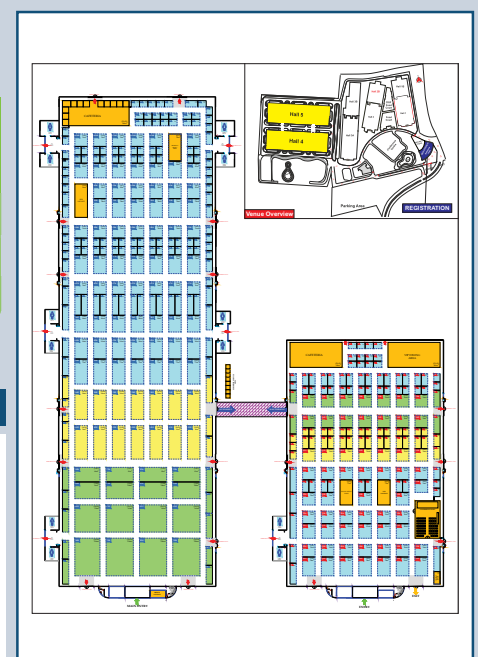

*Vikash Sekhani – Director, Dry All, India*
